

**EXT. CHURCH - AFTERNOON**

Anna and Josh walk up to the front of the church and try opening the door.

It's locked, Josh kicks the door.

JOSH  
Well, that's that.

Anna looks into the window, and starts banging on the door.

ANNA  
Don't people go to church anymore?

JOSH  
It's three in the afternoon, real religious people go to church at 6am, cuz that's when God wakes up.

Anna sits down on the ground.

JOSH (CONT'D)  
Well, at least you tried, I mean, there's something to be said about making an effort.

ANNA  
I don't wanna go to hell.

JOSH  
You really think you're gonna go to a place called hell because you weren't baptized?

ANNA  
Not a place called hell ... hell.

ANNA (CONT'D)  
I got an idea.

She stands up.

Josh takes a swig of the bottle of vodka in his hand.

**EXT. RIVERSIDE - EVENING**

Josh has his arms crossed and keeps checking his watch.

Anna stands an inch in the freezing water holding an empty bottle of vodka.

JOSH  
Come on! I'm freezing.

ANNA  
Shut up! I have cancer. I get to do  
anything I want.

Anna slowly walks into the river.

JOSH  
I'm giving you a countdown.

ANNA  
(to herself)  
My life is a countdown you moron.

JOSH  
Couldn't you have been diagnosed in  
the summer?

ANNA (UNDER HER BREATH)  
Shut up. I'm doing this. I'm doing  
it.

JOSH  
You need holy water! And a priest.  
This doesn't even count!

Josh pulls out his iPhone.

JOSH  
Gimme two minutes. I can get  
ordained online.

ANNA  
Take this.

She holds up the bottle of vodka up toward Josh.

Josh reaches for the bottle.

Anna grabs Josh's arm and throws him into the water.

**EXT. STREET - EVENING**

Josh and Anna are soaked.

JOSH  
That was totally not cool.

ANNA  
Baptism looks good on ya.
